**RFI & RESPONSE**

**RFI's/ Questions:** What is the DBE % for Federal or AIP Funded Aspects of the RFQ?

**Response:** The SRAA's DBE % Goal is 11.2% for AIP/Federal funded design & construction items.

**RFQ Notes:** City of Syracuse Permitting Assistance is required as part of the design consultant SOW. This effort typically includes but is not limited to:

- Project Intake Meeting with city
- Document & Files for Upload to the Cities Go Post Site
- City Permit Office RFI responses & construction documents/plans clarifications & changes as requested by the permit's office.
